Hughes Tool Company
Aircraft Division
Culver City, California

Attention

Gentlemen:

Reference is made to your letter of May 6, 1959.

Contractor is advised that Purchase Order No. 43600 is approved as requested in referenced letter. With regard to the residual test equipment, Contractor is authorized to retain these items for use under other Government contracts. We are attempting to arrange the transfer of this property to Navy or Air Force accountability at your plant. If you have any suggestions with regard to method of accomplishing this, we would appreciate hearing from you. In any event, we hope to advise you in the near future of their final disposition.

Contractor's final claim as submitted has been accepted and payment thereof has been recommended. It is anticipated you will receive a check in the immediate future.

Sincerely yours,

Contracting Officer
